Dear Sophie,

It was great to hear from you again! Sorry hadn't written for so long but I was very busy lately.

I'll try to answer your questions.

Honestly, I hate restaurants and prefer something homemade. I'm not very familiar with restaurants

in my town but I know for sure that there are a lot of Italian food restaurants, especially pizza.

In my opinion, people enjoy eating out because they prefer not to worry about cooking.

By the way, what kind of meal are you planning to make? Why did you decided to make one?

How many friends are you going to invite?

Sorry, I have to go because there is a lot of things

I need to do and I'm already short on time.

Write back soon.

Best wishes,

Andrey
